

# Together for your City

Are you new here or have you been  
in Hannover for some time now?

Would you like to volunteer in  
Hannover and help bring joy to  
others?

Are you interested in getting to  
know different social  
organizations in Hannover?

Then Serve  
the City Hannover  
("Diene der Stadt") is the  
right place for you.

**serve**  
the **city.** hannover

Serve the City Hannover (STCH) is an initiative for short-term social engagement. We organize short-term projects in partnership with different organizations. Going for a walk with senior citizens, collecting garbage in the Eilenriede or making Advent calendars for children from disadvantaged families. The list of opportunities is endless.

STCH is open to anyone who wants to support the city and its residents. Here, nationality, culture or religion do not play a role. In very diverse teams, we actively contribute and together do Good for the city around us. Respect and tolerance are, therefore, essential to us.

We would like to invite you to become part of STCH. In our short-term projects you can utilize your strengths, connect with new people, get to know different social organizations and much more. We also offer various workshops.

On our website you can inform yourself about our work.

Unfortunately, everything is only in German so far, but hopefully the photos will speak for themselves.

&

Feel free to contact us if you have further questions about Serve the City and/or would like to participate in our short-term projects.

We are looking forward to meeting you! Feel free to contact us by e-mail (also in English):
